AMSCCF is the school based Cadet Force with nearly 60 cadets from students across the year groups.

Contingent organisation

Where and when?

We parade on a Monday afternoon (during term time) from 3.15pm until 6pm, and we are based in 004.

What do we do?

Cadets train in a number of different subjects including drill, fieldcraft, skill at arms and first aid. They train towards their APC (Army Proficiency Certificate) which follows the syllabus written specifically for CCFs to ensure every young person gets a wide range of skills.

Cadets are able to take part in a number of activities including training weekends (field and camp), Adventurous Training and interest events.

Since the Contingent opened in April 2017 we have taken part in a number of activities including a field weekend, Trooping The Colour - Major Generals Review and a recent training weekend at Longmoor Camp.
