FSS Y10 & Y11 Taster Sessions

FSS/cgb

30th January 2024

Dear Parent/Carer,

I would like to share with you the new Taster Session Programme for Year 10 and 11 students that is being run by Activate Learning.

Between January and May 2024, students in Years 10 and 11 will be able to sign up to bespoke taster sessions on campus, aimed at helping them to make informed decisions about their next steps.

Each session will be completely tailored to a Career Pathway and provide students with the opportunity to sample an activity related to the course, view the facilities, and ask the tutors questions about studying with Activate Learning. Students will have complete control over the subject(s) they sign up for and how many they attend.

To sign up for the taster sessions please follow the links below:
