December 2023

Dear Parent/Carer

As you may already be aware, Relationships and Sex Education (RSE), along with Health Education, is part of the National Curriculum. This became mandatory in September 2020.

As part of our school's wider Personal, Social, Health and Economic Education programme, your child will soon receive lessons on sex education.

The following are the lessons each year group will be undertaking. **You cannot withdraw your child from the compulsory lessons.**

Year 7 will be covering puberty and periods and the compulsory lesson on Female Genital Mutilation (FGM).

Year 8 will be covering contraception, teen pregnancy and dangers of pornography and the compulsory topics of consent and risks of sexting.

The purpose of the upcoming curriculum is to provide knowledge and understanding of safe and healthy relationships based on respect. This is to encourage the development of safe and healthy relationships throughout life. The subject is designed to help children from all backgrounds to build positive and safe relationships and to thrive in modern Britain.

You do have a right to withdraw your child from sex education delivered as part of RSE in secondary schools which, unless there are exceptional circumstances, will be granted up to three terms before your child turns 16. At this point, if the child themselves wishes to receive sex education rather than be withdrawn, the school should make arrangements for this to happen in one of the three terms before the child turns 16 - the legal age of sexual consent.

There is no right to withdraw from Relationships Education at secondary level and we believe the content of these subjects – such as family, friendship, safety (including online safety) – are important for all children to be taught. However, we are confident you will share our enthusiasm for the successful delivery of the PSHE curriculum, which we feel will benefit all of our students. You are welcome to contact me to discuss the programme further.

If you wish to withdraw your child, please email me with their full name and tutor group.

Yours faithfully,
Major C Johnson
