7th February 2019

Dear Parent/Carer,

Ash Manor School Expedition to Nepal Summer 2020

We are planning to run a school expedition to Nepal departing Summer 2020.

This 21-day expedition will be run by Adventure Lifesigns, a well-established expedition company (www.adventurelifesigns.co.uk). Before departure, students will attend three training sessions run by Adventure Lifesigns designed to develop the skills necessary to complete the expedition, you will also get a chance to speak to representatives at these training sessions if you have any questions regarding equipment or anything else.

The projected cost of the trip including all training, flights, in-country costs, group equipment and comprehensive insurance package is **£2995**. This can be paid in instalments.

If you would like to hear more information on this forthcoming opportunity for your son/daughter, Adventure Lifesigns will be visiting Ash Manor School on **Wednesday 27th February 2019** to deliver a formal presentation on the expedition. This will take place at in the Main Hall at 6.00pm and should last no longer than one hour. We would be grateful if you could fill in and return the tear off slip below to confirm your attendance, and hand it to Main Reception by **Friday 15th February 2019**.

Expeditions overseas are great experiences and provide students with a wide range of skills that they will find useful in further education, as well as in later life.

We hope to see you on Wednesday 27th February 2019.

Yours sincerely

Miss C Whitfield, Miss R Russell, and Miss K Hunt
