

Ash Manors Careers Programme

Where do I want to go after AMS?
What do I want to do Post-18?

Apply

What skills have I gained?
How can I apply these to my future?

Experience

What are my different routes Post-16?
How do my GCSE options apply to this?

Investigate

What are CV's and why do we need them?
What does different success look like?

Explore

What do you enjoy?
What might you want to be in the future?

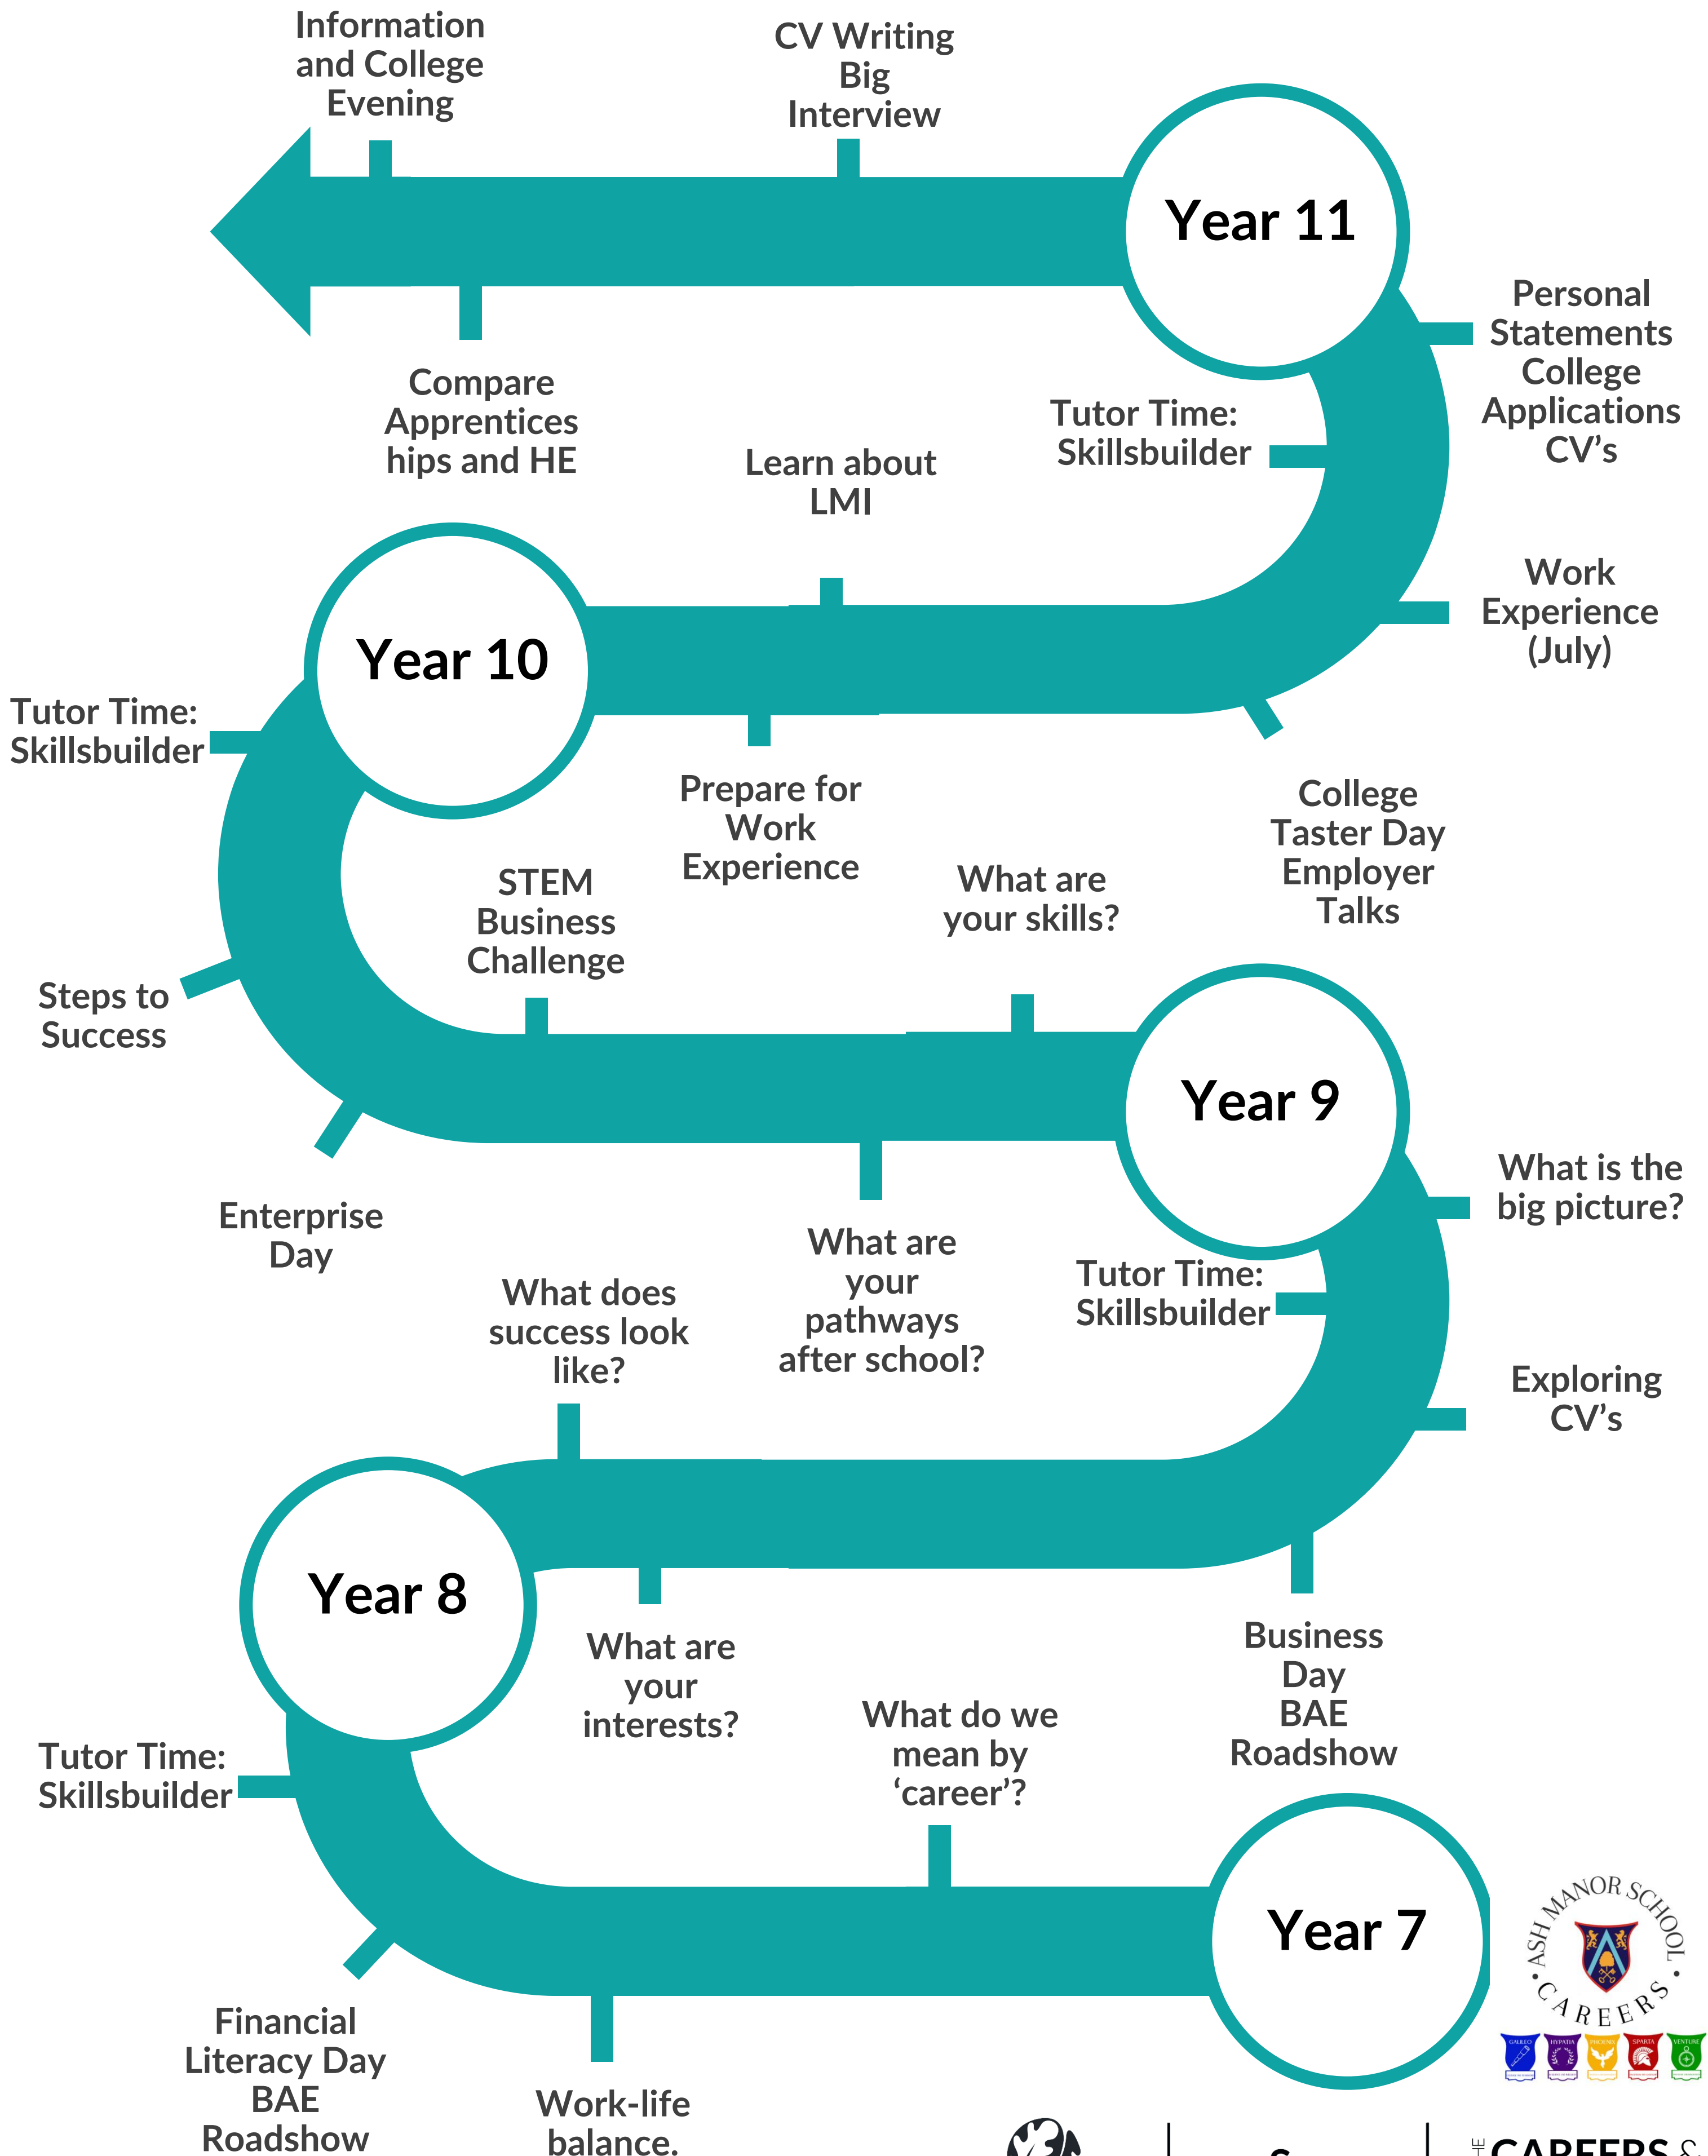

Discover

The careers programme at Ash Manor School has been designed to give a wide range of experiences, insights and guidance.

The programme below is the current programme for 2024 - 2025 and includes whole year group opportunities. This is subject to amendments as opportunities become available and do not include subject specific activities, trips with targeted groups or those designed to meet the needs of individual students.
